

## ATLANTA TIES MOBILE IN RACE

Southern League Championship Still in Doubt—Last Game to Decide.

Atlanta, Ga., September 5.—Mobile and Atlanta to-night are tied for first place in the race for the Southern Association pennant. Atlanta to-day won the first game of the double-header, 6 to 5, after ten innings. The second game was called at the end of the third inning, that the Mobile team might catch a train for Mobile. Neither club scored in the second contest.

To-night the fight for the flag presents a condition most unusual if not unique in baseball history. To-morrow Atlanta will close its season with a game against Chattanooga. Mobile, however, will play New Orleans to-morrow and Sunday. To-night each club had won eighty games and lost fifty-six. Should Atlanta defeat Chattanooga to-morrow, Mobile must take both contests from New Orleans to finish in front. If Atlanta loses to-morrow, its chance of ending the season in first place will be gone, unless New Orleans, the tail-end team of the league, takes both battles from Mobile.

A monster crowd, the largest by more than 1,000 that ever attended a game on the local grounds, filled the stands, and formed a huge circle around the playing field. It was officially stated to-night that 12,812 paid admissions were registered at the box office. The second game was begun in a light rain. There was constant wrangling during the second contest.

While the tension was high during the ten innings of the opening battle, it was not a game which could be set aside as brilliant. Mobile played raggedly, piling up eight errors. Of these, Schmidt was credited with three, all of them costly. Atlanta was credited with only one error, but the players plainly showed the effects of the strain to which they were subjected. The crowd, equipped with innumerable noise-making devices and reinforced by a brass band, kept up an indescribable din.

Crackers Start With Rush. Atlanta started with a rush, scoring two runs in the first and a like number in the second. Cavet, pitching for Mobile, made bad weather of it at the outset, giving up five hits in the first two innings. He steadied, however, and held Atlanta useless for three innings.

In the sixth, the locals scored once more. Mobile seemed unable to do anything with the offerings of Price until the fifth, when two runs were scored. In the seventh, however, the Atlanta pitcher weakened and Mobile quickly seized the chance, hammered in three runs on as many hits, tying the score. Dent relieved Price at the opening of the eighth inning, pitching brilliant ball and holding the visitors useless for the remainder of the game. In the tenth, after Welch was out, Smith, Atlanta's second baseman, tripled into the crowd in left field and scored when Robertson dropped a long fly hit by Manush, batting for Holland. With the winning run scored the crowds went wild and, headed by the band, invaded the playing field and paraded the length of the stands and benches. It was announced that by agreement the second game would be called at 4:40 P. M. Hogg went in to pitch for Mobile, and Thompson for Atlanta. Just after the lights were turned on a light rain began to fall, but there was not sufficient moisture to interfere with play. During the three innings Atlanta secured two hits from Hogg, while Thompson held the visitors without a safety. Promptly at the hour agreed upon the game was stopped. Score by innings: R. H. E. Atlanta.....2 0 0 0 1 0 0 1—5 11 1 Mobile.....0 0 0 0 2 0 3 0—8 8 5 Batteries—Price, Dent and Chapman; Cavet and Schmidt. Time, 2:15. Umpires, Rudderham and Pfenniger.

The United States five gets the silver cup presented by the Argentine Rifle Association, and \$200 in gold. The individual championship medal was won by P. Hanford, of Kinderhook, N. Y., who scored 437. C. M. McCutcheon, of Colorado, got 479; Hans Roedder, New York, 451; J. H. Snook, Columbus, O., 449, and J. A. Dietz, New York, 444. The \$100 cash won by Hanford is pooled by the team.

W. Eddy, Ohio; Sergeant Cedric Long, Massachusetts; and Artificer Edward Sweeting, Pennsylvania.

The eight members of the United States team in Pan-American championship match Friday, announced this evening, are: Lieutenant J. T. Orsborn, Navy; Lieutenant Andrew Denny, Navy; Corporal Otto Schriver, Marine Corps; Captain Stuart W. Wise, Massachusetts; Corporal Perry Schofield, Massachusetts; John W. Hossian, Hartford, Conn.; Corporal Snow, Marine Corps; and Lieutenant Blunt, of Texas.

Competitors and range officers are making contributions of not over one dollar each to the Fennessy trophy fund for a trophy shot for by companies of the Third United States Infantry, in memory of Corporal Michael Fennessy, Company M, shot on the revolver firing line Monday.

**CHAPPELL'S HIT WINS GAME**  
St. Louis, September 5.—The White Sox defeated the Mobile Braves here to-day. The game was a pitchers' battle between Chappell for the visitors and Taylor and Weisman for the locals, in which the Sox made five safeties and the Braves only one. Chappell's double and Schalk's single in the second round scored the winning run. Score: St. Louis.....6 0 0 0 0 0 0 0—6 10 0 Mobile.....0 0 0 0 0 0 0 0—0 10 1

**ATHLETICS LOSE AGAIN**  
Philadelphia, September 5.—The Boston Red Sox made it three straight from the Philadelphia Athletics to-day, winning by the score of 6 to 3. The fielding of the leaders was off color, and the Red Sox took advantage of the errors. The game was anybody's up to the seventh, when Plank went bad. In this inning Boston secured three runs, Plank aiding them with a wild throw on Carrigan's grounder, which scored two runs and allowed Carrigan to go to third. He then scored on Reh's fly. Ray Collins held the Athletics well in hand, and was taken out by Hall, finishing the game in good form. Score: Philadelphia.....3 0 0 0 0 0 0 0—3 10 0 Boston.....6 0 0 0 0 0 0 0—6 10 1 Batteries—Reh, Collins, Carrigan, Plank, Hall, and Evans. Umpires, Rudderham and Pfenniger.

## HARRY ENDICOTT HURLED TO DEATH FROM AUTOMOBILE

Ten-Year-Old Girl Spectator Is Killed and Three Other Persons Injured.

Jackson, Mich., September 5.—Harry Endicott, of Anderson, Ind., a brother of "Farmer Bill" Endicott, the noted automobile racer, and Mary Sarata, of Jackson, a ten-year-old spectator, were killed and three persons injured here this afternoon, when Endicott's automobile crashed through a fence at the race track, when one of the front tires blew up.

The injured are: George Benedict, of Los Angeles, who was acting as Endicott's mechanic; Mrs. Mabel Walters and Frances Hall, thirteen years old, both of Jackson. Benedict's condition is serious. Neither Mrs. Walters nor the Hall girl was seriously hurt.

Endicott was driving a 100-horsepower car preparatory to an exhibition race against Benedict here to-morrow, when the accident occurred. Benedict was at his side. The machine turned a sharp curve as it swung into the home stretch, and with a report like a pistol shot the tire burst. Before the crowd could realize what had happened, the machine skidded about twenty feet, swerved and plunged directly at a flimsy fence to the side of the course. Endicott was crushed to death against an iron railing. Benedict was hurled from the car and one of the rear wheels passed over his body.

The Sarata girl was instantly killed. The car, bounding from a road scraper, crushed her.

An inquest will be held here Tuesday.

## BATTLE AXES TO PLAY PARTNERS

The Battle Axes will meet the Portners team, champions of the Richmond League, this afternoon at Byrd Park, the game beginning at 4:30 o'clock.

Dr. Parker expects to win from the "Beerslingers" and will give his new arrivals, Rogerson and Coulter, a try-out in the box. Billy Hay will receive the youngsters, and he is a good man to coach new material.

The Napier brothers will be the battery for Portners, and, judging from previous games pitched by Napier, the game to-day should prove to the liking of amateur followers.

Cooper settled down after the first inning in the opening game, and the visitors were unable to score again. Harmon was batted freely. The second game proved a walkover for the Buccaneers. O'Toole pitched good ball. Miller Huggins pitched a finger during the first game and did not play in the second. Konechey is out of the game with a lame arm. Score:

## BUSINESS WILL BE PROTECTED

Bankers Believe That No Serious Damage Will Be Done by New System.

Washington, September 5.—Prominent bankers assured the Senate Banking and Currency Committee to-day that they thought any threatened credit contraction resulting from enactment of the pending administration currency bill, "could be worked out" so that the country's business would not be seriously affected.

A possible contraction of \$1,800,000,000 in the present structure of bank credits was given by James B. Forgan, president of the First National Bank of Chicago, as his estimate of the reduction that would have to be made in present loans to meet changed conditions.

"I do not want to scare any one," he added, "this doesn't mean that the thing cannot be worked out. This is simply the amount of contraction that would seem to have to take place to continue the banks on their present condition of credit."

Mr. Forgan, George M. Reynolds, of the Continental and Commercial Bank, of Chicago, and former Representative J. Hill, of Connecticut, took part in the presentation of the bankers' view throughout the day. Mr. Hill emphasized what he called "a fatal defect," the fact that the bill did not make the banks responsible for the issuance of notes and relieve the government of liability. Mr. Reynolds criticized the features requiring compulsory membership in the regional reserve banks; compulsory rediscout of notes; and the general reserve failure to give the banks representation on the Federal reserve board.

Mr. Morgan gave figures to demonstrate that under present banking conditions \$5 of credit is given through the country on each \$1 of actual banking reserve. He estimated that if one-third of the present reserves were transferred to the general reserve banks, notwithstanding the discounts, banks might then receive from the regional banks loans, and credits would have to be reduced for \$1,800,000,000 to maintain the existing credit ratio of \$3 to \$1.

Mr. Hill said no other nation had attempted to make itself liable for the payment of notes issued by the banks, and insisted the government would find it impossible to secure an adequate reserve for the purpose, while in its attempt to supervise the issuance of all notes it in effect would become a final judge as to the individual credit of every bank borrower in the country.

(Continued From First Page.)

regarded in financial circles as one of the most important railroad events of a decade.

Mr. Morgan stated that he had also served the same notice upon the Boston and Maine, and Maine Central railroads, both subsidiaries of the New Haven.

Severance of the relations between the Morgan concern and the entire New Haven system leaves up in the air the recent deal by which the bankers were given authority by the road's stockholders to finance the \$65,000,000 issue of debenture bonds to lift the road's floating indebtedness. For this the bankers were to get 2 1/2 per cent commission.

President Howard Elliott said to-night he did not know whether the deal would fall through, but that if it did, it would be turned over to another banking house.

Elliott and Morgan Disagree. The Morgan firm had backed Elliott for president of the New Haven, but it was reported to-night that the bankers' withdrawal was due to a split with Elliott as to how the road should be conducted. The new president had just assumed his new office at the time of Tuesday's work, in which twenty-one persons were killed.

The Morgan notice went over to the next meeting of the executive committee, and the routine work was taken up.

The committee recommended that at the next meeting of the board of directors, ex-Senator W. Murray Crane, of Massachusetts, be elected a member of the executive committee, received the resignation of S. W. Winslow and reaffirmed previous resolutions calling for all-steel cars and other precautions for the passengers' safety.

The expenditure of \$265,000 for the installation of signals on the Springfield division, on which occurred Tuesday's disaster, was authorized.

## SULZER PLANNING BRAND NEW COUP

His Lawyers Hope to Postpone Impeachment Trial Pending Robin Outcome.

[Special to The Times-Dispatch.] Albany, N. Y., September 5.—Council for William Sulzer to-day planned a brand-new coup to delay indefinitely the impeachment trial ordered for the 15th instant.

When the court gets together attorneys for the impeached official propose to move an adjournment until the lower courts have passed upon the pardon of Banker Robin and the demurrer submitted weeks ago.

This will be vigorously fought by legal advisers of the body directed to determine Sulzer's guilt or innocence. The move for the postponement of the trial was decided upon after Attorney-General Carmody had announced that he regarded the failure of the Robin attorneys to press their case at Kingston as a collapse of the scheme to confirm Sulzer's title to the governorship.

From the executive chamber came an emphatic denial and an assurance that on Monday next the court will be asked to pass upon the validity of the Robin pardon and the right of Sulzer to grant it.

Confidants of the impeached Governor declared to-day that when there is presented to the court of impeachment evidence that in at least two lower courts actions are pending with the case, the Court of Appeals, which, with the Senate, constitutes the court of impeachment, will agree to delay matters and await decisions of the Supreme Court and appellate division.
